MOST REVEREND J. M. GILMORE, D. D.,

REV. BRO. PATRICK A. GLEESON.

In Memoriam

LESS THAN a year ago, there passed away one whose life was strikingly conformable to that of Christ; one whose own exemplary life instilled in others a deeper love of Christ, and prompted many of them to emulate Him by following a religious vocation, a man who for twenty-three years gave untiringly of his time and efforts toward the betterment of the boys of Butte — Bro. P. V. Reid, to whom the faculty and the student body of Central reverently dedicate this yearbook.

No one, who was at all familiar with him, failed to realize how truly Christ-like was the character of Bro. Reid; how faithfully he practiced Christ's injunctions to "teach all nations." His, as a consequence, was that singularly genial, serene, humble and unassuming disposition that is the result and the reward of one who steadfastly pursues a sanctified calling.

His exemplary life shall remain an undying memory to the generations of Central graduates.

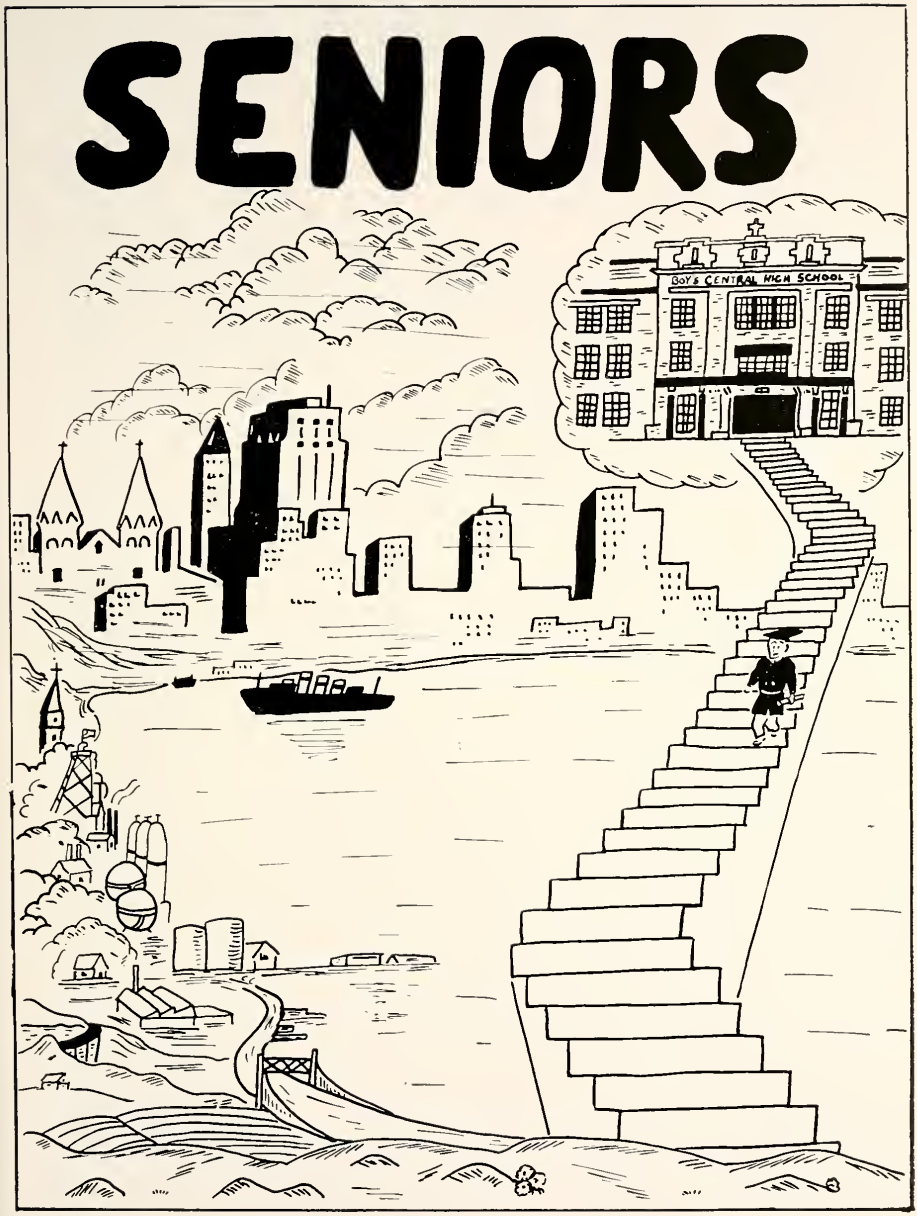
SENIORS' MESSAGE TO CENTRAL

DURING THE PAST four years we, the Class of '48, have been prepared academically to live happy and intelligent lives. At the same time we have received the moral training necessary to continue our lives as good Catholics and sound Americans.

As we step from the threshold of Central into the great world beyond, we leave to our successors its proud traditions and hope they will continue to uphold and improve them as we and those before us have done.

We wish to express our deepest appreciation to the Central faculty and to all who have helped us while at Central. May their untiring assistance and timely counsel be rewarded a thousandfold.



SENIORS
BOYS CENTRAL HIGH SCHOOL

CLASS HISTORY

THE CLASS of '48 shall always be remembered for what it is — the most distinguished group ever to graduate from Central. However, in order that no discrepancies may arise in the future regarding our brilliant achievements in every conceivable field, it is imperative that we should give a brief account of these accomplishments. We are, by nature, a rather modest group of handsome young men, and hence the reader must realize that those things mentioned below, are, of course, the barest essentials of the true facts.

Although the football team suffered a great number of injuries, it nevertheless acquitted itself nobly on the gridiron, due to the superb playing of co-captains Don Meglen and Joe Pelletier, Bob Burns, Marvin Shea, Frank Kinsella, Bill McDermott, Jim Sullivan, Neil Morrissey, Don Wulf and Joe Harris.

An always popular Central basketball team made for itself a very impressive record, which can be attributed to the skill and abilities of captain Bob Burns, Jack Heffernan, and Ted Michaud, with a little help from the under-classmen, of course.

The tumblers gave sparkling performances which thrilled audiences whenever and wherever they gave exhibitions, and for this reason they were invited to perform in Missoula at the State Basketball Tournament. This is excellent proof of the ability and showmanship of Joe Canavan, Tom Walsh, Dee McGonigle, Bill McDermott, Jerry Martin, Anton Jovick and John Gilmore.

Our endeavors were not confined to athletics alone, however, for these lads placed on the school honor roll for four consecutive years: John McCarthy, Bob Beaulieu, Bill Greytak, Joe Forbes, Pat Fleming, Jack Heffernan, Anton Jovick, Joe Canavan, Ted Michaud, Charles Van Alstine, Pat Lyons, John Gilmore, Bob Netterberg, Charles Bradley, Dee McGonigle, Don Meglen, Maurice Mulcahy and Bud Clinch.

Dramatic Club members, who took part in either Boys' or Girls' Central play productions are: J. P. Powers, J. McCarthy, R. Beaulieu, D. McGonigle, A. Tremblay, R. Lahiff, W. McDermott, R. Conklin, R. Davey, V. Cinch, J. Gilmore, K. Tierney, T. Michaud, D. Kennedy, J. Quinn and F. Evans.

In the Tuberculosis Contest, Bob Beaulieu won first honors and Dee McGonigle copped third place. During Junior year, Dee placed second in the Tuberculosis Contest and won first place in the Cancer Essay Contest.

Bud Clinch garnered second place in the KBOW Campus Quiz, while John McCarthy and Keith Tierney were among the twelve state finalists in the Pepsi-Cola Scholarship Test. Joe Canavan, who won a four-year Navy Scholarship, will spend the next six years serving Uncle Sam.

The band, undoubtedly, has greatly benefited from the services of Charles Bradley, the president, R. Beaulieu, J. W. Sullivan, P. Fleming, J. Canavan, T. Walsh, D. McGonigle, R. Netterberg, V. Clinch, F. Evans, J. Gilmore and F. Actis.

The Glee Club will suffer greatly from the loss of chanteurs J. McCarthy, W. Greytak, W. Maloney, P. Hunt, A. Tremblay, C. Van Alstine, W. Rice, M. Powell, R. Mahoney, D. Kennedy, T. Michaud and A. Jovick.

Those on the Maroon Staff were: T. Michaud, M. Mulcahy, J. Quinn, R. Conklin, J. McCarthy, P. Lyons, W. Rice, R. Davey, K. Tierney, J. Martin, Bud Clinch and Bob Beaulieu.

Rev. F. Burns, Diocesan Superintendent,
presents Henry Webking with School Diploma

NICE GOING!

TIME MARCHES ON and graduation time has come at last! The various individuals of the Class of '48 have long been awaiting this great moment, but if there is one amongst us for whom graduation has an added significance, that person is Henry Webking. Undaunted when forced to take up his residence at Murray Hospital at the beginning of Junior year because of a spinal ailment, Henry, with special instruction, continued his studies, carefully maintaining the high standards for which he was appropriately nick-named the "Quiz Kid" by his classmates. One of our best known and esteemed members, he has been a steady honor student and was a member of the band for two years.

Henry has many friends throughout the city. Last year they subscribed three thousand dollars to buy for him enough streptomyocin to bring about a cure. He is now being treated with this drug and expects to be on his feet again in the not too distant future. His perserverance in studies and determination to overcome all obstacles has not gone without reward. Since he cannot be bodily present at graduation, he will receive his Central diploma from his hospital bed and will join spiritually with his classmates in the commencement exercises. The faculty, the Class of '48 and all his friends at Central wish Henry the best of luck and hope he will keep up the good work.

CLASS PROPHECY – 1948

'Twas the spring of 1980
When we passed through the pearly gate
We asked St. Peter for one last glance
At the class of Forty-eight.

Peter stroked his long white beard
He said, "Where can they be?
O yes, here's the class of Forty-eight . . .
Come here and you can see."

"Actis runs a bus line
From Anaconda to Butte;
Bradley is his best customer,
Because girls down there are cute.

"Canavan is at St. James
He is their famed physician;
He's working on Bob Netterberg,
Restoring Butte's best musician.

"Gilmore and Gallagher are undertakers,
MacMillan drives their hearse;
Hugh Quinn, the sheriff, gives them work
For which they're none the worse.

"Powers, Quinn, and Kennedy
Are gentlemen of renown.
Their names are in the papers
For blowing up the town.

"Mulcahy, Mulcahy and Nevin
Are politicians of much note.
They're kissing all the babies
To get the people's vote.

"Carrig runs a dude ranch
With visitors from far and wide.
Business is successful
With McDermott at his side.

"Burns, Meglen and Pelletier
Made the All-American team.
Now they're back at Central
Coaching with great steam.

" 'Goggs' Sullivan is really ritzie;
He rides around in style.
He rides in Bennet's taxi cab
For twenty-five cents per mile.

"Men of distinction are Tierney and Clinch
Out in the Ramsay hills;
They haven't switched to 'Calvert' yet . . .
They run their own two stills.

"Dan Sullivan is in Hollywood;
Greytak's down there too.
Greytak takes up tickets
While Sully pitches woo.

" 'Little Bugs' McGonigle
Is head of the 'Round Table'
With Heffernan as his right-hand man
It definitely is quite stable.

"Joseph Forbes and Patrick Lyons
Distinguished men are they.
They're both on 'Information, please'
But don't have much to say.

"Harrington runs the 'Marquette'
It's not the same old place,
For he keeps calling on Chouinard
To keep the boys in place.

"VanAlstine is the 'mouthpiece'
Judge Boyle's on the bench———
They're trying Anton Jovick
For burning Tremblay's ranch.

"Maloney owns a tin shop
Kaudy is his aid.
J. E. Sullivan is the foreman
For every project laid.

"Hunt is now a dentist
Making all the kiddies bawl
With 'Flemming's Friendly Agency'
Right across the hall.

"Krstulich is an admiral
In the U. S. Two-way Navy
Culum is in the galley
Serving up the gravy.

"Rice now owns a slaughter house
Selling horse meat by the pound;
And with Mahoney as his butcher
They're surely prison-bound.

"J. W. Sullivan is a cattleman;
He herds his steers all day.
They're really fat and beefy
For Beaulieu feeds them hay.

"Conklin is a pilot,
And while flying high and low
He hears McCarthy singing
On the Murray Powell Show.

CLASS PROPHECY – 1948 — (Continued)

"Webking, a U. S. Senator
With a voice profound.
Amazes all the citizens
That live off God's good ground.

"Lahiff, Morgan, and Whitney
Who live out on the 'flats'
Are making a small fortune
Selling 'whoopee' hats.

"Evans runs a pawn shop
His prices are quite high———
Bray keeps dropping in on him
To see what he can buy.

"Satterwaite and Whalen
Now run a used car lot———
They are making lots of money
For the cars they sell are hot.

"Hawe is now a pugilist;
He's on his way to fame———
Elich is his opponent,
While Dais promotes the game.

"A good mechanic is Patty Coyne
He likes to tinker and putter———
But whenever he works on Fogarty's truck
All it does is sputter.

"Shea now works for the A. C. M.:
He's down the 'Con' a drillin'———
Jim Sullivan runs a small garage
In a little town called Dillon.

"Kinsella is a wrestler;
Joe Harris holds the towel———
But Morrissey threw out Frankie
Who claimed it was a foul.

"Hogan, Connors, and Wulf;
Three loyal friends are they———
They joined the Foreign Legion
And there intend to stay.

"Walsh is now a clergyman
In a church out in the hills———
Mickey Evans takes up the collection
To help him pay the bills."

Friends and loyal classmates.
To you we bid "Adieu"
For many happy years in Central
We have spent with you.

Our hearts are sad and weary:
Our souls are laden too———
We know that we shall never have
More loyal friends than you.

And now we three must go
From you classmates we are partin'——
The best of luck to all of you.
Michaud, Davey and Martin.

WELL INTO the third quarter of the school year the faculty and student body of Central were shocked and stirred by the sudden death of Edward Maher. "Eddy" or "Chubber" as he was known by most of the boys, passed away in his Freshman year. His graduating class of St. Mary's and the fast friends he made at Central knew him not only as an outstanding student but also as a quiet unassuming friend who could always be relied upon for co-operation and help; and it is to his memory that we dedicate this special page.

TOM QUINN

TOM, IN HIS official capacity as chief engineer and custodian, and in his unofficial capacity as student advisor, has won his way to the hearts of every teacher and pupil at Central. He will be remembered wherever members of the Class of '48 may happen to be in future years for his perpetual smile and desire to help anyone in need of assistance, because every one of us, at one time or another, has been befriended by this patient and good-natured Irishman. During his ten years at Central, Tom has never lost that deep sense of loyalty and faith in Central for which he is loved and respected by all. Seldom given due appreciation by the students for what he does, Tom expects little praise, perhaps in realization of the fact that boys, being boys, take many things for granted. To Tom Quinn, we owe more than we can ever repay. But, in recognition of favors received, both individually and as a group, we, the Class of '48, can only say "Thanks!"

CENTRAL "A" FOOTBALL

CENTRAL FOOTBALL players hit the field for practice a week before school started, under a new coach, Frank Callen of St. Mary's, California.

A large majority of the squad were new to varsity football and spent many hours at Emmett field working hard for the new coach. Although the boys lost a number of games, they showed the great courage and the fighting spirit of a Central team.

COACH FRANK CALLEN

The night of October 31st found Central and Butte ready to battle once more. While the Maroons were plagued with injuries all season and usually the underdog, all bruises and past scores were forgotten. After continually fighting all through the game and completely outplaying Butte, Central lost another thriller to Butte, 12-0.

To our fine coach, Frank Callen, and to Brother J. N. McMahon, Athletic Director, Johnny Dixon, Larry Connors, Assistant Coaches and all supporters of the team, a word of praise and gratitude.

TROPHIES WON BY CENTRAL TEAMS DURING PAST FOUR YEARS

B FOOTBALL

THE B SQUAD Coach, Jim Freebourn, aimed at developing future Varsity material rather than at winning games. With this end in view, this year's B team was limited to Sophomores and Freshmen. Despite the fact that our opponents were older, heavier, and more experienced, yet the squad put forth their best efforts in every game. The result was that they gained valuable game experience which will prove profitable to them as future Varsity men.

So great was the enthusiasm of the squad that despite the inclemency of the weather and despite the successive losses of games, hardly a player missed a practice session. Even those disabled in play were on hand for chalk talks and football tests. As one player expressed it, "We didn't win many games, but we had a lot of fun and learned a lot of football."

A special word of thanks is due to Coach Freebourn and our Moderator Brother McKenna for their untiring efforts. The fruits will be evident on future Central Varsities.

"HERE'S THAT FAMOUS CENTRAL FIVE"

THE MAROON AND WHITE CITY CHAMPS

THE '47 — '48 basketball season is one to be long remembered at Central. Playing under a new coach, Frank Callen, former star of the Saint Mary's Gaels, who in his first year of coaching did a remarkable job, the Maroons, after losing three of their first four non-conference starts, came back strong to finish fourth in the Big 16.

Among the accomplishments of the triumphant Maroon and White cagers were: the capturing of the Round Table Tournament for the second straight year, the winning of second place in the Divisional Tournament, and the garnering of fourth place honors in the State Tournament. The Maroons went undefeated again this season, on the School of Mines Court, and brought the record up to forty straight wins at home. This achievement is all the more remarkable in view of the fact that Central has no gymnasium of its own, and the basketball team was restricted to approximately an hour and a half of practice each afternoon.

Besides this, Central won the City Championship for the fifth consecutive year. For the first time in history, Central met Butte Hi twice, emerging victorious both times. On February 17, they played at Butte High, defeating the Bulldogs 48-43. On March 6, on the Mines court, the Centralites rallied over Butte 37-35.

At the State Tournament Central came very close to winning the State championship for the first time. In the semi-final game the Maroons were nosed out by Anaconda by two points. Anaconda went on to become State Champs the next evening.

Big Joe Devich, 6' 4" gangling sophomore center, carried off scoring honors for the season. Besides this, Joe made first team All State as well as the All Tournament Team.

Following Devich in scoring was Captain Bob Burns. This blond headed senior was a standout forward. He was named second string All Tournament at the State meet and received honorable mention on the All State Team.

The other forward spot was held down very capably by junior Bob Doran. Bobby, only 5' 3", a long shot artist, also received honorable mention for his play in the State.

Senior Jack Heffernan, ace playmaker of the team, held down one guard position. He made third string All State and honorable mention on the All Tournament Team.

Guard Bob Hunt, junior defensive ace, received little publicity but his loss to the team was keenly felt when he sprained his ankle and was unable to play in a couple of games.

The talent of an especially prominent senior reserve, Ted Michaud, went unrecognized for most of the basketball season. Ted, it seemed, played best during the final moments of the games in which Central was trailing and was responsible, to a large degree, for Central's wins over such formidable opponents as Anaconda, Helena, and Butte Hi.

Besides the above mentioned players, Central was also gifted with very capable and talented reserves who were outstanding all season.

The team would like to express their sincere thanks to Athletic Moderators Brother McMahon and Brother McKenna for their untiring efforts toward the betterment of the team, to Mr. Francis Dolan and Mr. George Perry (who will be the last to let us down) for the time they gave so freely for the physical care of the boys, and our grateful thanks to Frank Callen, our coach, for making us the team we were.

B SQUAD BASKETBALL

THE B SQUAD under the very able direction of John Dixon had a very successful season this year. The team averaged 39 points per game as against our opponents 31. They won 21 games and lost 7. In the Men's Class A Division of the C. Y. O. League, the squad annexed the first place trophy by winning eleven games out of twelve starts. This well-deserved victory is the more remarkable when one considers that, while the B squad is composed of Sophomores and Freshmen, their opponents in the League were all older and more experienced players.

But more important than the winning of games was the tremendous spirit of team play and the general "heads up" brand of ball that characterized every game. Winning or losing, the squad never gave up but was in there scrapping until the final buzzer had sounded.

To Coach Dixon and to Moderator Brother McKenna are due the highest praise and sincerest congratulations on a most successful season.

FRESHMEN BASKETBALL

THE FRESHMEN BASKETBALL squad did its share to add to Central's cage laurels this year. Under the skillful direction of John Dixon, the Freshmen squad won seven, lost three and tied one. The Freshmen "game of the year" was the second encounter with the much vaunted Butte Hi Frosh. After losing the opening game of the season to the Butte Five by the humilating score of 53-17, the Central cagers came back to defeat Butte Hi 52-48 in an overtime at their second encounter. That is evidence of the improvement that the Frosh have made in the course of the season.

To Coach Dixon and to Moderator Brother McKenna, congratulations on a job well done.

MR. JOHN DIXON '32

WE AT CENTRAL avail of this opportunity to express publicly our sincere appreciation to Coach Johnny Dixon for the tremendous help he has given our athletic department during the past season.

Every afternoon would find Coach Dixon at the Knights of Columbus Gym running the combined "B" and "Frosh" basketball teams through their paces. The constant drilling of these raw recruits in the fundamentals of the game paid rich dividends in the successful seasons of both squads. Not only did the teams win large percentages of their games — they played calm, intelligent basketball at all times.

For this splendid training, we owe a debt of gratitude to Johnny Dixon. We thank him sincerely for all he has done; we admire him greatly for what he is — a perfect gentleman. Those of us who were privileged to play on his teams will be better sports, better men for having known Coach Johnny Dixon.

ST. GABRIEL'S DAY AT CENTRAL

REV. BERNARD SULLIVAN

FEBRUARY 27th was noted at Central with the traditional Mass in honor of our patron, St. Gabriel. The Mass was celebrated by Father Bernard Sullivan, in his first official visit to Central since his graduation in 1937.

During Mass, Father Sullivan spoke briefly about the life of St. Gabriel and compared the Saint's life with that of the ordinary high school student of today. During the course of his talk, Father Sullivan brought out the fact that St. Gabriel, although he did nothing extraordinary during his life, did do the ordinary things in an extraordinary manner and is thus an admirable model for all young men. Students were given a holiday from their studies for the rest of the day.

THE DRAMATIC CLUB

THIS YEAR was undoubtedly one of the busiest and most successful in the history of the Dramatic Club. Not only did the members stage two three-act plays, but also took part in the Girls' Central annual production. Before this year is completed, the Club will also have staged a one-act play.

The first production of their outstanding repertory was an old-fashioned comedy-fantasy, " — But Not Goodbye." This heart-warming and suspenseful play won high praise and acclaim for the boys participating in it. Their next production was a sparkling farcical-fact, "Stop Thief," which added new laurels to the Club's traditional reputation for excellent performances. Both plays were presented to capacity audiences at the Fox Theater.

The Club is notable not only for its hard-work, enthusiasm and co-operation but also for those who help to make their dramatic efforts so successful as mentioned in their unique programs: "There'd be no plays at all if 'tweren't for the production staff." We pay special tribute to their Dramatic Director, Brother J. C. Fellows and their very generous friends and assistants Robert Beaulieu, Gene Wainwright, Mr. William Corbitt, Miss Dorothy Kane and Mr. Thomas Quinn.

The "Oscars" for the best actors were equally shared between Keith Tierney for his portrayal of Sam Griggs in " — But Not Goodbye" and Charles Bradley for his characterization of William Carr in "Stop Thief."

CENTRAL GLEE CLUB

MEMBERS OF THE GLEE CLUB

THE GLEE CLUB was organized early in September and was enthusiastically welcomed by both the faculty and student body. After the somewhat embarassing tryouts, forty-five students found themselves members of the Club. They received their training from Brother E. D. McKenna which enabled them to lose any shyness they had when singing before others.

When Brother McKenna considered the Club ready for public appearances, they performed at various rallies and assemblies during the school term. To climax a successful year, the boys appeared before a packed house at the A. C. M. Club in a St. Patrick's Day program.

Having seen and heard the wonderful progress made by the Glee Club this year, we all look forward to an even finer organization in the future.

BAND

THE CENTRAL BAND, forty members strong, proudly salutes Conductor Martin Cesare for his untiring efforts with this year's group. Mr. Cesare, by great patience and hard labor, moulded his musicians into the best band Central has had in recent years.

At football and basketball games, the band was always on hand to cheer the squads to greater efforts by their spirited playing of the school songs. At rallies and assemblies, the band formed the foundation for many enjoyable programs.

During the course of the current school year, the band played to a capacity house at the Elks' Lodge and on March 16 had to give two performances to accommodate the huge crowds at the A. C. M. Club. On these occasions the audiences were lavish in their praise of the conductor and the players for their splendid work.

No account of the band would be complete without a special word of praise to the moderator, Brother Pilon, for the appearance, discipline, and excellent conduct of the band members at all times.

Also, high commendation is due to Joe Canavan and to Bob Netterberg for their fine solo appearances.

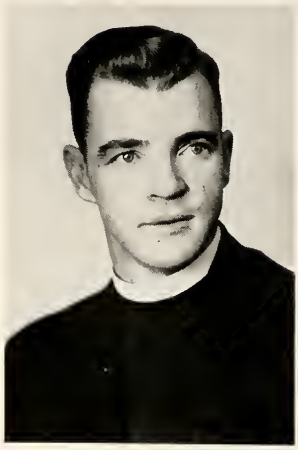
TUMBLING



BR. J. B. RYAN,
Director.

THE TUMBLERS, superbly coached by Brother Ryan, enjoyed a very successful season. Making their debut during the Round Table Basketball Tournament in December, they have since performed at most Central Basketball games and have entertained various clubs and lodges. These lads made two trips to Dillon and as a fitting reward for a job well done, they received an invitation to perform between halves at the State Basketball Tournament in Missoula.

The audiences at these exhibitions of dare-devil acrobatics and split-second timing were alternately thrilled and chilled — one could hear hundreds of indrawn breaths, then a brief silence with everyone wondering, "Could they make it?" — then a sigh of relief, followed by a thunderous ovation as the tumblers again flawlessly went through their dazzling routine.

The Seniors who were largely responsible for the success of the tumblers were: Capt. Joe Canavan, Jerry Martin, Tom Walsh, John Gilmore, Dee McGonigle, Anton Jovick, and Bill McDermott.

Truly this year's tumbling team is a shining example of the fine teams for which Central is noted.

CENTRAL ROUND TABLE

THE CENTRAL ROUND TABLE is an organization formed for the purpose of furthering the development of Boys' Central by active support of school activities, both in athletics and scholastic achievement. With the advent of the Round Table has come an increase in enrollment, which has been brought about mostly because of Central's successes in the field of athletics; for, scholastically speaking, Central always has been, and will remain, tops.

Take for example, the records achieved since the inauguration of the Round Table: "Big 16" basketball championship in '45; winning the Round Table Invitational Basketball Tournament three out of four years; State championship in football in '45 and runners-up in '46. Other activities which have improved considerably are: the band, tumbling team, Glee Club and handball.

For such noble support, the faculty and student body wish to extend their heartfelt thanks.

Montana's most unique cocktail longue and restaurant. Along the walls are giant murals depicting our basic industries. Here, as in all Finlen restaurants, is served delicious, high-quality food prepared by expert chefs and served by friendly waitresses. For Luncheon or Dinner it's the smart place to eat.

The Finlen boasts of a number of beautifully spacious dining rooms which can be used for dances as well as large dinner parties. Phone Max Dean, manager, for information. Finlen services add to the pleasure of every party.
